1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

In the title:

The title has been amended to read as follows:

CERAMIC ARC TUBE ASSEMBLY

In the claims:

This application is in condition for allowance except for the presence of claims 22-33 to an invention non-elected without traverse. Accordingly, claims 22-33 have been cancelled.

3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest a ceramic arc tube assembly comprising a transient assembly button being fixed around a capillary tube and contacting an edge of the open end of a hollow body and being capable of removal from the capillary tube without causing damage to the arc tube assembly as substantially set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
